My werkboek Meetkunde

My naam:

Wiskunde Tier - Graad 1

This workbook Math Tiger helps learners to reach the math objectives described in the Namibian Junior Primary Syllabus Mathematics Grade 1.

The content of the workbook is in accordance with the content of the Junior Primary Syllabus Mathematics Grade 1, the Integrated Planning Manual grade 1 [March 2015] and the Teachers Guide for mathematics grade 1. [see www.nied.edu.na]

The workbook is composed by Teun Hanemaaijer, Jaap Griffioen and Jaap de Waard in good cooperation with Alina Niipare and published under auspices of NIED, the National Institute for Educational Development in Namibia.

We hope teachers and learners will enjoy doing mathematics with this workbook!
